Re: Barona Oaks Racetrack

Dear Senator Feinstein,

This letter is to express my support for the Barona Oaks Raceway and its continued operations at its current location, 1800 Wildcat Canyon Road, Lakeside, CA 92040.

This facility is important to the many individuals—of all ages—who actively participate in off road motorsports in San Diego. This location and race course provides a safe, accessible recreational opportunity for families, and, does not require traveling a long distance.

Barona Oaks Raceway has been a fixture in this community for more than 35 years and is incredibly important to maintaining San Diego's ability to provide areas for off road participants and their families.

I urge you to continue to support this facility and its operations at the current location.

Sincerely,
